

# *We have missed you so much!*

***Special Smiles, Ltd is pleased to announce we are now open for current and new patients.*** We also want you to know about changes we have made to ensure Special Smiles will be a safe and healthy place for you to visit when you need dental care.

## **What We Are Doing To Protect You**

*We are not only following directions from the CDC, the American Dental Association and the PA Dept. of Health, we are going above and beyond the safety requirements.*

- All dental procedures performed in treatment rooms with HEPA air filtration and both intra and extra oral evacuation systems
- Professional staff wear personal protective equipment
- Private waiting rooms for patients disinfected after each use
- Requirement that all patients, caregivers and staff wear a face mask, have their temperature checked, and use hand sanitizer upon entering and exiting our offices

## **What You Can Do To Protect Yourself and Others**

- Bring and wear your face mask
- Only bring the number of support staff or family members needed for patient safety
- Maintain a distance of six feet or more between yourself and others in our office
- If you have a fever or feel sick, please call us to reschedule your appointment
- If you get a fever or feel sick within 14 days after your appointment, please call us

## **What To Do If You Have a Dental Emergency**

Call 610-526-0807: A special needs dentist is on call 24 hours a day, seven days a week. If this is a life-threatening emergency, call 911.

## **What To Do Now To Prepare For An Appointment**

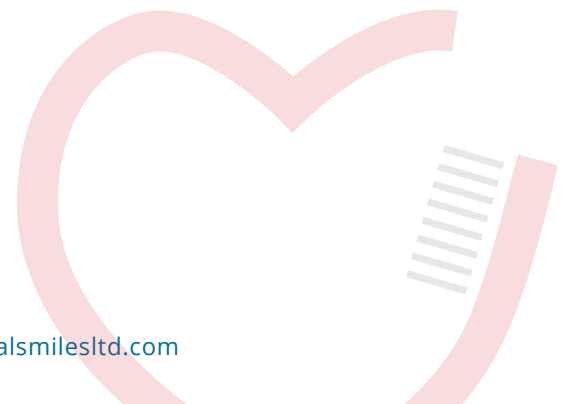

Call the office to be sure your clearances are up to date.
